});
}

```

```

function deleteEvent(index) {
  events.splice(index, 1);
  displayEvents();
}

```

</script>

</body>

</html>

□ How It Works

1. Admin (or student) fills out the form with event title, description, date, and venue.
2. The event appears instantly below under Upcoming Events.
3. You can delete any event using the Delete button.
